

Culture Club

An online presentation

We are lucky to live in New Jersey, one of the most ethnically diverse states in the country. Our adult ESL program includes students from all over the world. This provides us with a unique opportunity to learn about different cultures from each other.

The goal of this club is for participants to gain an understanding, appreciation and awareness of different cultures in our community. The club also provides an opportunity for our ESL students to practice their speaking and listening skills. Tutors and students, please consider sharing information about your country of origin. We are happy to help you organize a discussion. Please email us if you are interested in participating, literacyvolunteerspv@gmail.com.
